Technical Equipment

AGILE AND ARTISTIC

- We'll be shooting with a small, small and mobile crew, allowing us to cover a variety of locations efficiently. Our equipment will include the best in the industry - the Arri 35 and top-quality lenses sensitive to light. This technical excellence will enable us to capture the beauty and authenticity of our scenes in stunning detail.

Summary

A TOAST TO LIFE WITH KAMENITZA

- In every drop of Kamenitza, there's a story, a memory, a moment of connection. Our campaign is an invitation to experience these moments, to find a sense of belonging and togetherness. With Kamenitza, we're not just sharing a beer; we're sharing life itself. This campaign is our heartfelt invitation to the world, to join us in celebrating the rich tapestry of life with a glass of Kamenitza.

- Cheers,

Drago Sholev
