Scene 1

THE NEIGHBORLY BANTER

Exterior: A Yard in a Rural House. An idyllic scene from the Bulgarian countryside unfolds. Three men of different generations have just finished planting a tree. They are dirty, tired, but visibly satisfied with their work. Two of the men lean on each other, forming a friendly embrace. Their neighbour, from the other side of the fence, watches and comments on the fruit of their labor.

From the house's entrance, the youngest man's wife emerges, carrying six Kamenitza beers. She turns to the relatives with a warm smile.

The wife :"Come, enjoy the fruit of your labor"

Kamenitza
Heartfelt invitation

The men, pleased, reach for the beers, momentarily turning their backs to the neighbour. The wife then gestures invitingly to the neighbour.

The wife :"You too"

Hearing the invitation, the neighbour reacts with delight. He clumsily starts to clamber over the fence to join them.
