Music/Sound

THE RHYTHMS OF BULGARIA

- Our soundtrack will be a blend of Bulgarian folk and jazz, capturing the unique rhythms and sounds of the region. The music will be more than a background element; it will be a character in its own right, enhancing the mood, setting the scene, and enriching the overall experience.

- Here is some suggestion for original Bulgarian music that I believe corresponds with the hole concept mood and idea:

Technical Equipment

AGILE AND ARTISTIC

- We'll be shooting with a small, small and mobile crew, allowing us to cover a variety of locations efficiently. Our equipment will include the best in the industry - the Arri 35 and top-quality lenses sensitive to light. This technical excellence will enable us to capture the beauty and authenticity of our scenes in stunning detail.
