The Brand

UNDERSTANDING THE MARKET

- The beer market has been stagnant since 2008, highly competitive and price-sensitive. Our understanding of these dynamics is crucial in positioning Kamenitza not just as a choice but as a preference. We'll leverage this understanding to highlight Kamenitza's unique qualities, making it stand out in a crowded market.

Pack Shot

NATURAL AND INVENTIVE

- Our pack shot will be as natural and inviting as our locations. We'll integrate it seamlessly into our scenes, making it a part of the story rather than just an end tag. The pack shot will be a creative expression of the brand, capturing the essence of Kamenitza in a way that's both inventive and familiar.
