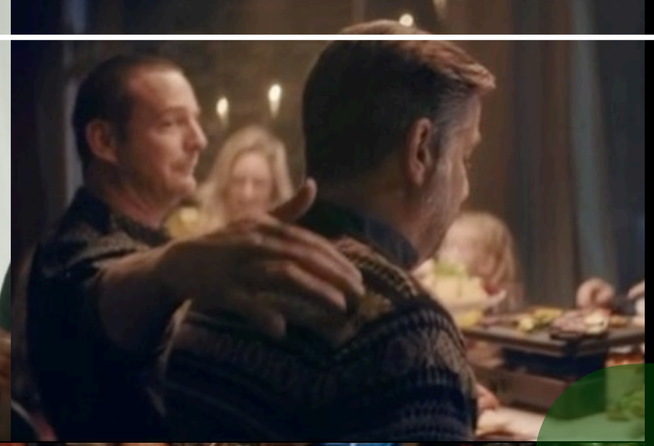
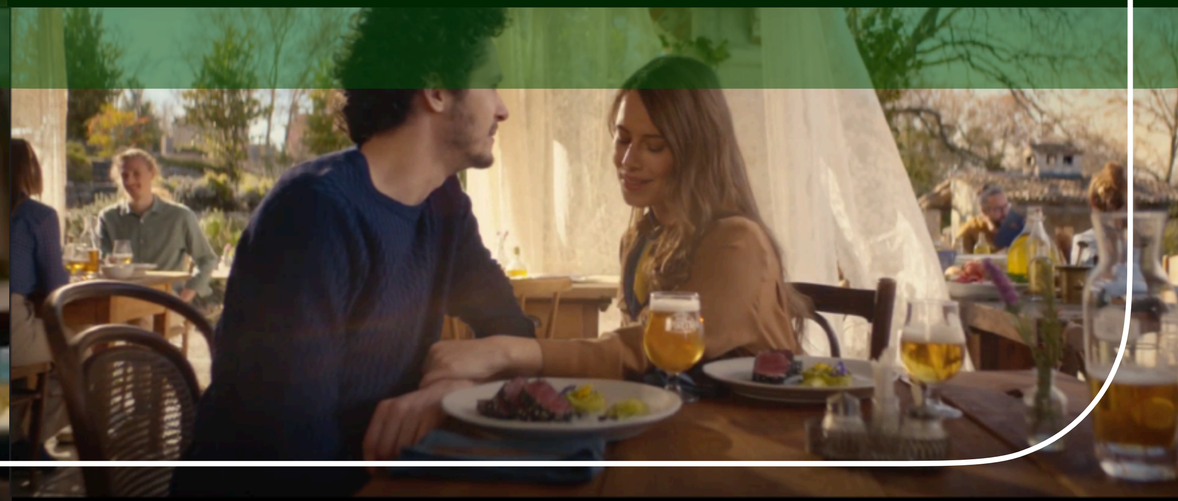
Kamenitza
Heartfelt invitation

Scene 3

THE GAME DAY GATHERING

- Interior. Home
- Visualize a living room buzzing with excitement. A group of friends, eyes fixed on a football match, share the tension and thrill of the game. As the penalties approach, a friend rushes in with a Kamenitza, joining the group just in time. This scene captures the essence of friendship and shared passions, the kind of moment that's made even better with a cold beer in hand.
- I need to think (may be together with the creative team) a little more in order to suggest idea to make this scene little less generic.





Scene 4

THE FAMILY FEAST

- Exterior. Yard. Summer late afternoon. Worm sunny weather.
- A terrace filled with family. The camera focuses on a Kamenitza being poured, the foam rising enticingly. A quick reaction from a family member saves the beer from overflowing. As the camera pulls back, we see a lively family gathering, complete with laughter, conversation, and a feast. This scene is a celebration of family ties, the joy of being together, and the beer that's part of these precious moments.
